

NORTH TORONTO CAT RESCUE ADOPTION APPLICATION

Adopting a cat is a serious commitment. Cats can live to be 18-22 years old (approx.) and we wish to ensure that each adoptive household is aware of, willing and able to accept the physical, emotional and financial responsibilities of pet guardianship for the life of the adopted animal. This application will assist both you and us in determining if your household is prepared to assume the role of responsible caretaker and companion.

Please note that applying does not ensure approval.
